

Akilah Griffin supports our program in many ways, participating in mock interviews, and career fairs, and attending advisory meetings (pictured on the right). Sheila Rollins represents Rise To Success a program that allows students to work for Atrium while attending college (pictured on left).

Students attended a field trip in November 2023 to view the healthcare building at CGTC to learn about programs offered at our local community college.

Atrium Health-Peach County Hospital came to speak to CNA students in April 2023 to recruit them for jobs at our local hospital.

**Houston
Healthcare HR
came to speak to
students in
February 2023 to
discuss entry-
level jobs in
Warner Robins
hospital.**
